

HAPPY 30th BIRTHDAY TO THE TREE COUNCIL

To celebrate this anniversary, the Tree Council plan to continue their drive to make Trees Matter to more people. They ask their member organisations and supporters – so that means Tree Wardens – to help promote two campaigns during the spring of 2004.

Trees Matter - Cherish Them

The Trees Love Care (TLC) campaign will be launched during the weekend 21–22 March and run until September. This is an opportunity to check on all those trees and hedges recently planted during Tree Week in our district, some of which will be coming into their 4th growing season. To make sure they survive, loosen ties, check stakes and tubes, carry out essential

pruning, clear grass and weeds, apply mulch. Just a little time spent now can make a huge difference to the establishment of plants for the future, or a failed effort. More details are given overleaf.

Trees Matter - Enjoy Them

As in previous years, South Norfolk Tree Wardens will be taking a Walk in the Woods, which will take place on 15 May in our district. There are lots of very good reasons to walk in the woods and we hope that you and your friends will join us for a really special day. See the Forthcoming Events section for more details.

There will be more events later in the year . . . watch for details!

TREE COUNCIL CHANGE OF ADDRESS

The Tree Council have moved and their new address is:
71 Newcomen Street,
London SE1 1YT

tel: 020 7407 9992

fax: 020 7407 9908

email: info@treecouncil.org.uk

website: www.treecouncil.org.uk

Decaying old Oak plays host to Holly at Staverton.

BLUEBELL CARPET IN SISLAND CARR

A note for your diary from Chedgrave Tree Warden Eric Wilkinson. The annual Bluebell Walk at Sisland Carr will take place at 2pm on Sunday 9 May. Excellent teas!

TREES AVAILABLE TO GOOD HOMES

We are sometimes offered trees which are in need of a place to grow, most recently 3 Horse Chestnuts grown by Mrs Gallagher's children. If you would like them, please call her on 01953 605622 (Wymondham).

If anyone has space to take spare plants when they are offered, please let us know. They could then be re-distributed during Tree Week – what do you think?
